

CORTEX Prize 2023

Open Call

Deadline November **15th 2022**

The **Cortex Prize** is a biennial award to emphasize the achievements in neuroscience. It is awarded to a **promising young scientist** in the field of neuropsychology.

The scientist has to be within 7 years from the PhD. The awardee will be recommended by their member society **Each member society can support at most one colleague.**

The Scientific Advisory Board of the FESN does the ranking of all candidates and proposes one scientist after reviewing his scientific work.

The prize is officially granted during the FESN congress 2023 in Thessaloniki. **The winner is invited to give a keynote address and the FESN congress 2023 in Thessaloniki**

He/she is also invited to **submit a review** of his/her work to the **journal 'Cortex'**. Further information
